

# Valuable Resources /re-zor-siz/

def: Factors which help a person or business to continue their normal functions. eg. money, materials, manpower or energy.

# Valuable Resources

## For building a network marketing business

### Apps

**YouMail** - Great app for a cellphone that allows you to get visual voice mail, customize your greeting to specific people calling you, and receive an amazing voicemail database that saves messages by name and number.

**GroupMe** - App that allows you to create specific groups within your team so all of you can communicate with each other. The better the communication, the better the results.

**Magisto** - Awesome app for making and editing videos. Voted best by Apple.

**Wordswag** - Great app for taking your photos and writing on them with many different fonts.

**Evernote** - Very popular for notetaking and keeping track of notes.

**Shapr** - New and upcoming networking platform to meet new people in your area.

### Valuable Podcasts

**Mlmnation** - [mlmnation.net](http://mlmnation.net)

**Tim Ferriss** - [fourhourworkweek.com](http://fourhourworkweek.com)

**How I built this**- [Guy Raz NPR.org](http://GuyRazNPR.org)

**Gary Vaynerchuk** - [garyvaynerchuk.com](http://garyvaynerchuk.com)

**The Ed Mylett Show** - [edmylett.com](http://edmylett.com)

**StickK** - Accountability app where you put money on the line. If you don't hit your goal, someone you don't like gets the money.

**Bumble Bizz** - Platform to connect with and network with people in your area.

**TaxBot** - App to keep track of expenses, track mileage, and itemize tax deductions.

**Cardflick** - Send your contacts a beautiful digital business card.

**ScannerPro** - Great app to scan and fax or email documents.

**Empire Builders Pro** - Fantastic app to get your prospect interested in starting their own business. Sharable videos, Instagram posts, podcasts, and other helpful tools.

### Valuable Prospecting Tools
